ABOUT OUR COMPANY

Prime Steel & Stone Co. Provides Skilled Manpower Labor to the Oil & Gas industry, for upstream, midstream, and downstream Projects and Operations, on a short or long-term basis. Their highly qualified professionals and skilled labors can support the best top, middle, and lower level workforce so in general that is Arabs, Pakistani, Bangladeshi, Nepalis, and Indian Manpower.

Prime Steel & Stone Co. identifies the manpower requirements, in line with their Customers' needs, utilizing appropriate screening and matching methods to ensure that only suitably qualified personnel are recommended, in a timely fashion. They bring together the sources with oil and gas companies who are in search of forwarding their operations, with a productive future in mind.

With dependability and the suitability of Skilled Manpower Supply being key to operational continuity, **Prime Steel & Stone Co.** is a reliable partner, that customers can rely on to respond to their needs and to deliver a quality service. Throughout the period, during which **Prime Steel & Stone Co.** staff works on customers' operations, a full transfer of knowledge takes place, to local staff

OUR MISSION

Our Mission at **Prime Steel & Stone Co.** Information and Technology LLC is to empower organizations and communities by delivering innovative ICT infrastructure, telecom solutions, and diversified services that combine reliability, efficiency, and sustainability.

OUR VISION

Our vision at **Prime Steel & Stone Co.** Information and Technology LLC is to be a regional leader in Delivering integrated infrastructure and Technology solutions that empower Progress, connect communities, and shape a Sustainable future.

CORE VALUES

Our Core Values Set Out The Principles By Which We Conduct Our Business:

- ◆ Customer Focus:
- ◆ Safety
- ◆ Excellence
- ◆ Teamwork
- ◆ Responsibility
- ◆ Quality

Why? Choose Us ●

Our Commitment.

OUR SERVICES

Qalat, a leading engineering construction and technical supporting services. Organization has the capabilities to handle multi discipline construction to provide the industry with high quality, cost effective engineering construction and onsite technical support in a timely manner to the benefit and satisfaction of its valued clients.

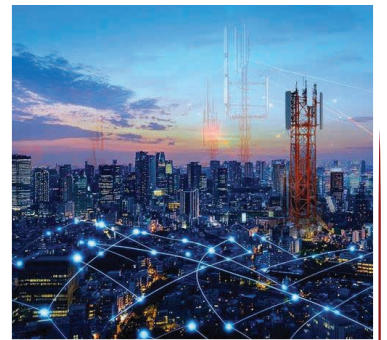

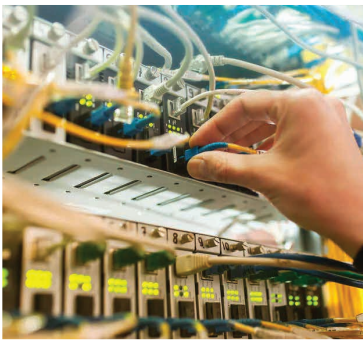

- **Telecom Infrastructure & Cable Works**
- **Civil & Construction Engineering Works**
- **Manpower Services**
- **Construction Equipment Rental Services**
- **Bim, Cad & Structural Design Services**
- **Dewatering & Earth Works**
- **Engineering Services**
- **Solar Power Plant Projects**
- **Electrical & Mechanical Contracting Services**

Telecom Infrastructure & Cable Works

We provide end-to-end Telecom Infrastructure and Cable Works services supporting reliable, high-performance communication networks. Our expertise covers planning, installation, testing, and maintenance of telecom systems for residential, commercial, and industrial projects.

Our team delivers efficient solutions using industry-approved methods and modern equipment, ensuring network reliability, safety, and compliance with technical standards. We handle both underground and overhead cable works with precision, minimizing disruption and ensuring long-term performance.

Civil & Construction Engineering Works

Qalat, we take pride in our ability to handle all types of Civil works projects with utmost professionalism and expertise. With several years of experience in the industry, we have successfully completed numerous projects, gaining a reputation for delivering high-quality results on time and within budget. Our team of highly skilled engineers, architects, and construction professionals are committed to providing you with comprehensive solutions to meet your specific requirements. Whether you need assistance with new construction, renovations, infrastructure development, or maintenance projects, we have the knowledge and resources to ensure successful outcomes.

Bridging Communities, Building Connections.

Site Preparation and Excavation
Foundation Construction

▪ Road and Pavement Construction
▪ Drainage Systems Installation

▪ Utility Infrastructure Develop
▪ Structural Repair and Rehab

Manpower Services

Our manpower supply services are tailored to meet the dynamic demands of your projects. We provide skilled and experienced personnel across various fields, Ensuring that your workforce is not just a number but a valuable asset. With a focus on safety and efficiency, our manpower solutions contribute to the seamless execution of your operations.

**Empowering your
Success with Skilled
Minds.**

Schedule of Manpower

- Civil Engineer
- Planning Engineer
- Piping Engineer
- Rotating Equipment Eng
- Site Supervisor
- Officers
- Executive Secretaries
- Documents Controller
- Computer Programmers
- Schedulers
- Mechanical Engineer
- Electrical Engineer
- Inspector
- Project Superintendent
- Safety Engineers
- Auto-Cad Operator
- Accountant
- Computer Operator
- System Administrators
- Project Controllers
- Riggers
- Operators (Crane, Forklift)
- Skilled Labours
- Semi-skilled Labours

Construction Equipment Rental Services

At Qalat we understand the importance of having the right equipment for the job. Our extensive fleet of state-of-the-art equipment is available for rent, ranging from heavy machinery to specialized tools. Whether you are in construction, manufacturing, or any other industry, our reliable and well-maintained equipment is ready to support your project, ensuring efficiency and success.

Manage your fleet
anywhere with our
Equipments

- All Terrain Cranes
- Certified Mobile Cranes of capacity 25 to 500 Ton
- Low Bed Trailer 30 to 200 Ton
- Flatbed Trailer 25 to 40 Ton
- Dyna Truck 6 Ton
- Boom Truck 5Ton to 18 Ton
- Winch Truck 6 Ton
- Water Tanker 12000 to 32000 liters
- Diesel Tanker 6000 to 12000 Liters
- Fork Lift 2.5 to 18 Ton
- Telescopic Forklift 4 to 5 Ton
- Rough Terrain Forklift 3 to 5 Ton
- Electric Forklift 2 to 5 Ton
- LPG Forklift 2 to 10 Ton
- LPS Forklift 2 to 10 Ton
- MAN LIFT-16 Meter to 43 meter
- Scissor lift-6 Meter to 18 Meter
- GENERATORS-20 KVA to 1000 KVA
- Tower lights-4X 1000 Watts
- Welding machine-400 Amps and 500 Amps
- Air Compressor 185 CFM to 1500 CFM
- Air Dryer
- Light Vehicle
- Rough Terrain Cranes
- Truck Cranes and Crawler Cranes
- Ranging from 25 Tons up to 1,200 Tons.
- Excavator
- Wheel Loader
- Roller Compactor-10 Ton
- Dump Truck-16Cu.M to 32 Cu.M
- Grader
- Bulldozer
- Backhoe loader
- Skid Loader
- Side Boom
- Jackhammer
- Plate compactor

STRUCTURAL ENGINEERING & BIM SERVICES

CAD Shop Drawings | BIM Modeling | Steel Structure Design

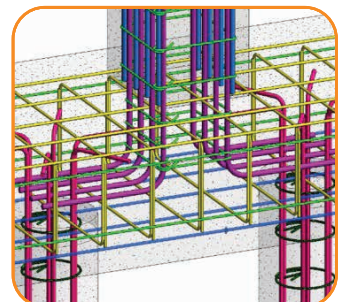

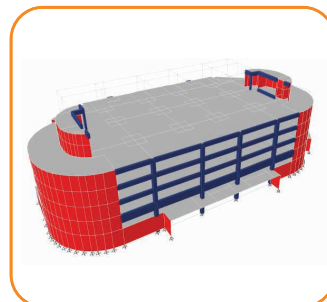

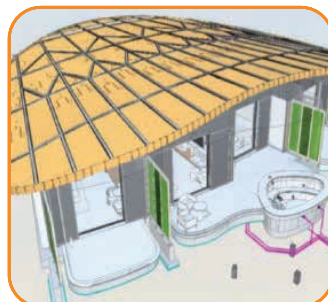

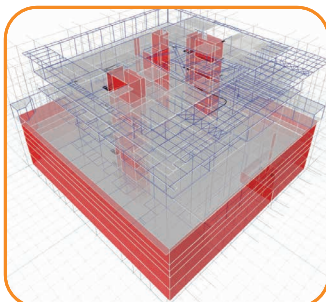

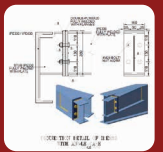

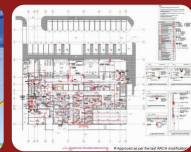

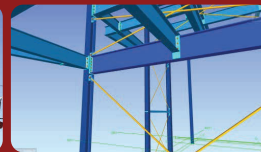

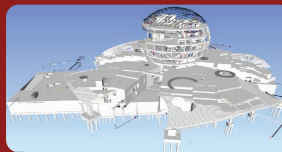

Professional BIM Engineers & Structural Designers providing high-quality structural engineering and BIM solutions for residential, commercial, and industrial projects. Our goal is to deliver practical, Construction-ready drawings and optimized designs that save time and cost on site.

Structural Analysis & Design Bim

- RC Structures
- Steel Structures
- Composite Structures
- Façade Design
- Deep Foundation Design
- Shoring System Design
- BIM Consultancy
- BIM Resourcing
- LOD 400/500 BIM Modeling
- General Architectural
- Landscaping
- Interior Design & Fit Out
- Structural
- MEP
- Civil Infrastructure
- BIM 4D & 5D
- Time-Linked Planning (4D BIM)
- Cost-Linked Estimation (5D BIM)
- Clash-Free Scheduling & Phasing
- Progress Monitoring & Reporting
- Optimized Budgeting
- Integrated Project Delivery

Shop Drawings (2D)

- Structures
- RC Structural Shop Drawings
- Rebar Detailing
- BBS
- Steel Structural Modeling & Shop Drawings
- Architectural
- Detailed Layout Plans & Sections
- Wall Finishes, Cladding & Facade
- Flooring & Ceiling Plans
- Joinery and Millwork
- Signage and Wayfinding
- MEP CAD SHOP DRAWINGS
- HVAC & Fire Protection Systems
- Electrical & Power Systems
- Plumbing & External Services

Dewatering & Earthworks

We provide reliable and efficient Dewatering and Earthworks solutions for construction, infrastructure, and industrial projects. Our services ensure safe, dry, and stable site conditions by controlling groundwater and surface water, enabling smooth excavation and foundation work.

Our earthworks services include excavation, backfilling, grading, leveling, and site preparation, carried out with modern equipment and experienced operators. We focus on safety, precision, and timely execution to meet project requirements and engineering standards.

With a commitment to quality, environmental compliance, and cost-effective solutions, we support projects of all sizes—from small developments to large-scale construction works.

Engineering Services

We provide comprehensive Engineering Services delivering practical, efficient, and innovative solutions for a wide range of construction and infrastructure projects. Our experienced engineering team supports projects from concept and design through execution and completion, ensuring quality, safety, and compliance with industry standards.

We combine technical expertise with modern tools and proven methodologies to optimize designs, reduce risks, and improve project performance. Our approach focuses on accuracy, coordination, and timely delivery to meet client objectives and project requirements.

Our Engineering Services Include

Civil, Structural & Architectural Engineering

Bim, Cad & Design Coordination

Project Planning & Technical Consultancy

Construction Supervision & Quality Control

Engineering Analysis & Value Engineering

SOLAR POWER PLANT PROJECTS

Our services span the entire project lifecycle, and goes beyond engineering, procurement and construction (EPC) to present complete solutions to the solar energy. We also provide complete turnkey solutions for concept to commissioning of small solar PV power plant for any capacity for export to grid and off-grid sites, also for roof top installations.

WHAT WE OFFER

Various Solar LED Lighting Solutions Like Sign And Bill Board Lighting Systems.

Indoor And Outdoor Lighting In All Capacities To Fit Most Domestic

Commercial And Industrial Needs

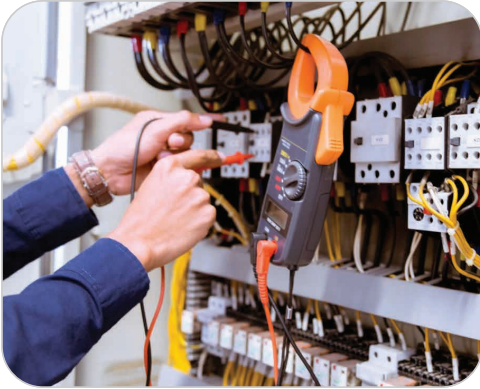

Solar Powered Standalone Street Lights For Roads

Pathways, Commercial Buildings.

**Electrifying
Excellence,
Every Connection
Matters.**

Electrical Services

QALAT ALJAZIRAH has capacity, capability, and experience to perform all Electrical works in Oil & GAS, Chemical, Petrochemical & Power sector. Design, engineering, supply, installation, Termination, Testing, commissioning and maintenance of:

Distribution Boards & Control Panels

Lighting points & Light fixtures

Transformers

Electrical Heat Tracing

Mechanical Contracting Services

LEADER IN TECHNOLOGY - Qalat provide full package of mechanical construction services in the area of process plants, refineries, petrochemical complex, storage tanks and pipeline projects and Mining Industries.

Our well experience and skills from small scale assignment through to large complex engineering and construction projects allows the company to bring unique solution to each clients' specific needs.

Our Clients

We Take Pride In Building Strong And Lasting Relationships With Our Clients By Delivering Reliable, Efficient, And High-Quality Services Across Diverse Sectors. Over The Years, We Have Earned The Trust Of Leading Organizations In Saudi Arabia By Consistently Meeting Project Requirements, Exceeding Expectations, And Upholding The Highest Standards Of Safety And Professionalism. Our Valued Clients And Partners Reflect Our Commitment To Excellence And Our Role In Contributing To The Kingdom's Ongoing Growth And Development.
